

Chris Wood

Biography

FREEBASE

Since 2004 Chris proceeds as successful producer and remixer. By now, there are a couple of numerous releases and remixes under his hand. He released for example on labels like Moon Harbour, Pressure Traxx, Souvenir, Upon You, Below, FreebaseRecords, Kindisch, MurMur or be_chosen.

2009 Chris started working with his friend Meat (Carsten Schuchmann). Since then they released a couple of tracks and remixes on different labels and they DJ together at clubs all around the world.

There last EPs where played by big names like Sven Väth, Ricardo Villalobos, Seth Troxler and many more. From 2012 to 2016 Chris and Meat ran the store Freebase Records & Sneakers together, as well as their label Freebase Records.
