

# Nekes

## Bio

Berlin based DJ and producer Nekes is a representative of the true underground sound.

With his in 2007 founded label Oslo, alongside co founder Federico Molinari, he catapulted himself to be a very influential and important part of the electronic music. The label Oslo is still one of the most respected labels today.

He strives to play groovy, sexy and percussive music with smooth mixing and blending different styles effortlessly. By playing across the globe Nekes has built a big fan base and continues to innovate himself hosting his own parties, producing, music and mixing.
